Multi-Jump

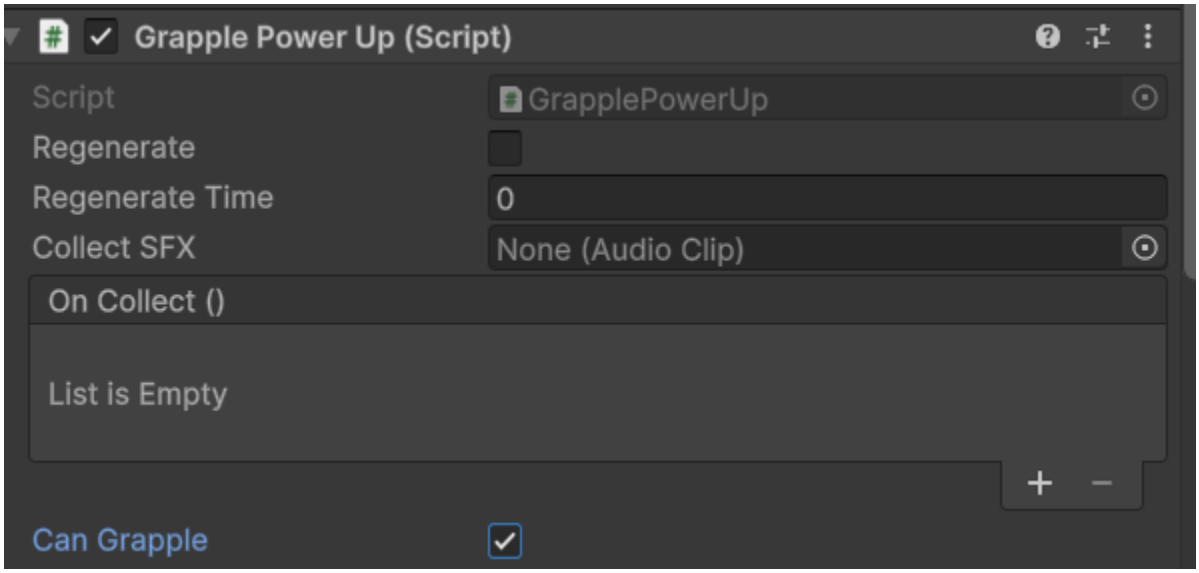

Change the Jump Amount of a Jump Power Up to have it change the number of jumps the player has.
This number becomes the new max number of jumps the player can make without landing.

Wall Jump

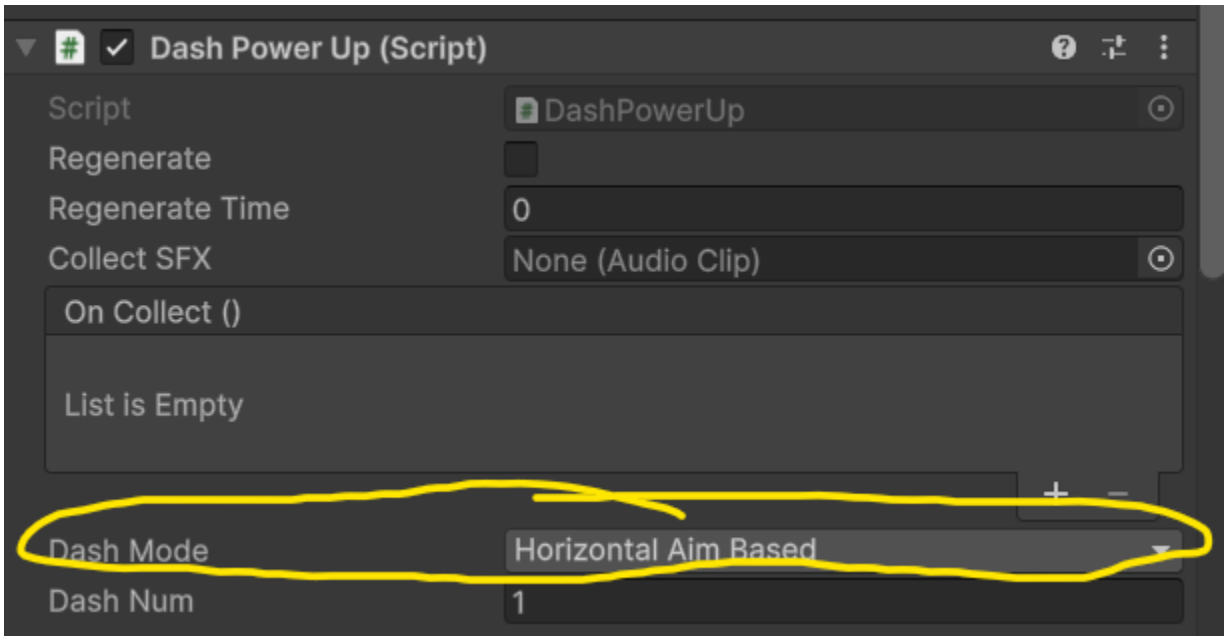

This checkbox enables the player's wall jump.
If unchecked, it does not change the player's ability to wall jump.
If checked, it allows the player to wall jump.

Grapple

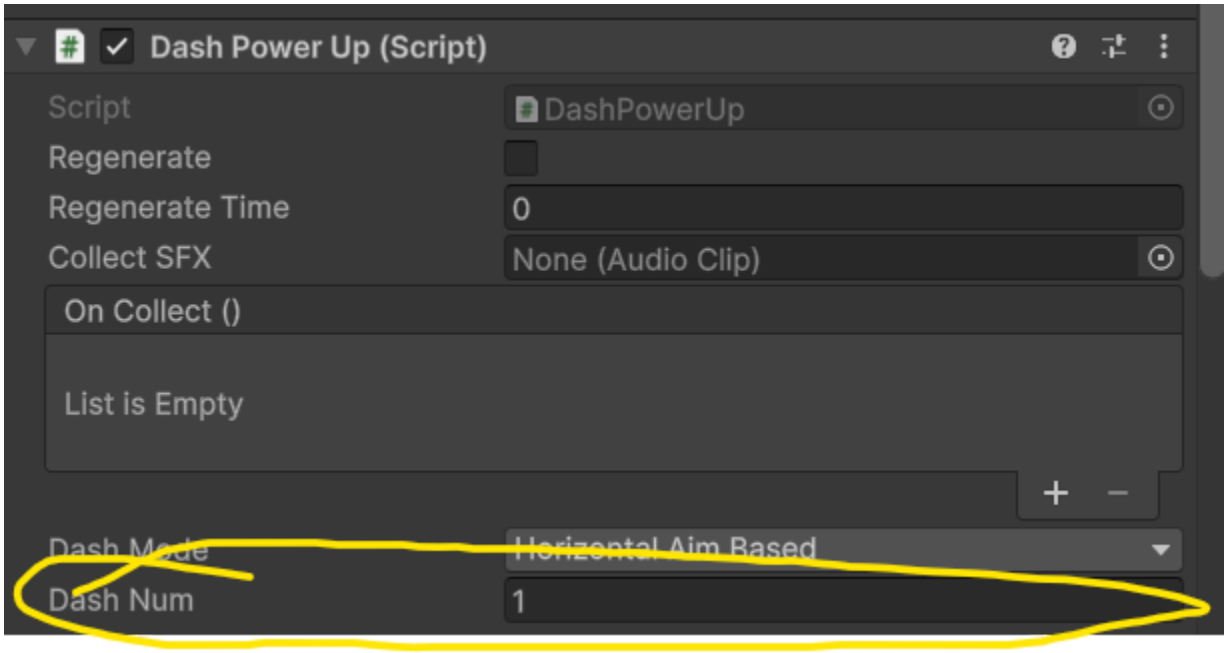

This enables or disables the player's Grapple based on "Can Grapple"
Checked enables the player's Grapple.
Unchecked disables the player's Grapple.

Dash Mode

Change the Dash Mode of a Dash Power Up to change the player's dash mode when they pick it up. For a breakdown of what each dash mode does, check the dash section of Turning Off Movement.

Dash Num

Change Dash Num to change the amount of dashes the player has.
This changes the max number of dashes the player can have to the given number.
